

5th Grade Teachers

Come explore Whitfield Wildlife Conservation Area!

Located on Highway 47, one mile north of River Road in Belen.

Bus funding available for schools.

We are pleased to announce a partnership with educators from the Sandia Mountain Natural History Center. They will present their 5th grade program about the basic elements of ecosystems and lead tours at Whitfield Wildlife Conservation Area on Tuesdays during January and February. To schedule the program or for more information, please email
